Dear Jim:

I would like to take this opportunity to congratulate Warm Bros. Construction Company in receiving the 1995 Build Ohio Award for the restoration of the Isaac M. Wise Plum Street Temple.

As you are aware, the members of the Cincinnati Development Group have great interest in projects that promote development in the city of Cincinnati. Visiting the Plum Street Temple on several occasions during the renovation, I was taken by the quality of workmanship and construction.

Receiving this award not only establishes Warm Bros. as one of the finest contractors in the industry, it also reconfirms our decision at the Cincinnati Development Group to select your company as the construction manager for the Fountain Square West Project. I am confident Warm Bros. Construction Company will provide our project with the same top quality construction, project management, craftsmanship and attention to detail as in the restoration of the Plum Street Temple.

Once again, congratulations. We look forward to working with you on our project.

Very truly yours,

Steven N. Stein
